

WARRINGAL OBEDIENCE DOG CLUB Inc.

NOTICE OF MEETING

In accordance with the Constitution & Rules of Warringal Obedience Dog Club Inc., financial members are invited to attend a Special General Meeting to approve the proposed move of the Warringal Obedience Dog Club training grounds to Montmorency Primary School in Montmorency.

In November 2009, La Trobe University, our landlord gave formal notice that the lease of the club training grounds will not be renewed past 30th September 2011. There is a six months clause within the current lease document either way to finish the lease prior to that date.

As you are aware, club members have been actively seeking an alternative training ground over the last six months since the University's notice. During this period of consultation, club members have advised the Committee and the Relocation Subcommittee of many prospective sites. Many of these sites were not available as they are used by other sports clubs, or unsuitable for Warringal for various reasons. Letters to Banyule, Darebin, Whittlesea, Nillumbik and Manningham Councils did not elicit any support. We are convening this meeting to consider the recommendation of the Relocation Subcommittee.

The recommendation is to continue to train all classes on Sunday mornings at the Montmorency Primary School. The School Council has approved Warringal to train there from 4th July 2010. The school grounds are not big enough to hold trials; however, Agility and Obedience Trials will require alternate venues. Both trial dates are being maintained in the VCA Calendar.

A formal lease will be drawn up with the School in which we will have use of a building for administration purposes on Sunday mornings.

Motion:

That the Warringal Obedience Dog Club Inc. move its training ground to Montmorency Primary School on a commencement date to be determined by the Committee in consultation with the School Council of Montmorency Primary School.

The meeting will be held at 9.45 AM on Sunday 30th May 2010 at Warringal's clubhouse. All later classes will commence immediately after the conclusion of the Special General meeting. Prior to the meeting, if you have any questions relative to the move, please contact:
